Mid-Winter Private Lesson Instruction January & February 2012

Private lessons will help you get the extra edge -- preparing for your school show audition, your school show performances, Don't Tell Mama Broadway Showcase performances, or just to continue building solid technique in your chosen area of study. Typically our Fall private lesson students continue to take lessons during the Mid-Winter semester. The Mid-Winter Semester helps keep the momentum going so you continue your growth during the break between the Fall and Spring PTW semesters.

Private lessons will be offered this Mid-Winter semester in Voice, Song Interpretation, Acting, Jazz Dance, Tap Dance, Guitar, Piano, Songwriting, Music Theory and Audition Preparation.

If you would like to take private lessons during January and February, please submit your registration form as soon as possible. Submit early for your choice of time slot.

Day/Time Slots

Current students will be given the first choice of their current lesson time if registered by November 7. After November 7, private lessons will be scheduled on a first come, first serve basis.

Please indicate on the registration form if you would like to continue with the same time slot you have now or come at a different time for the January/February Mid-Winter Session. Even if you can still do the same time slot you had in the Fall, please indicate on your registration form other times that would work within your schedule for the private lesson. This helps us, so in case we need to adjust your private lesson time for Mid-Winter to work around Don't Tell Mama rehearsals, we can be sure to choose a time that works well for you.
